

CCDCC Men's Team Selection Policy

The appointed members of the Selection Committee for 2017/18 are the Nominated Chairman of selectors, Jeff Mumford (Assistant), and all Graded Captains. Each member of the Selection Committee will be entitled to one vote. The Chairman (or proxy acting on his behalf) will cast the deciding vote in the event of a tied vote.

The Selection Committee will request input from the other Captains prior to selection of teams and the CCDCC Coach.

The role of the Selection Committee will be to select the best teams possible, taking into consideration team balance and requirements for that particular game.

Preference will be given, where possible, to players who train over those who do not. Remember practice makes perfect (or at least better cricketers and they play in the higher grades!)

Players unavailable for any reason deemed unsuitable by the selection committee will return in a grade lower than previously selected.

Examples of unsatisfactory excuses include: attending Buck's Party's, Concerts... Examples of Satisfactory excuses include University Exams, being Best Man at Wedding.

The decision of the Selection Committee is final! Our responsibility is to the club first. These rules apply to all players - there will be NO exceptions!

Players must:

- ✓ Be financial by the designated deadlines (unless organised with Treasurer) to be eligible for selection
- ✓ If playing in current game, and not available for next game, notify their Captain, who will advise Coach
- ✓ If not playing the current game, or subsequently become unavailable, notify Coach or Captain of their future availability
- ✓ Notify their captain, coach or the Chairman of Selectors of any injury concerns

Selection will be held on Tuesdays evenings at the completion of Training. Players will be notified ASAP of Team Selections. Men's Selections will be on MyCricket / Ghosts Website by 5.00pm each Thursday.

If a player is selected in a team and fails to turn up to the game on either day without prior contact with the coaching staff, and without exceptional reason, that player's future at the club will be discussed by the coaching staff. Subsequent recommendation will be given to the Club Management Committee of their decision.

Players may discuss selection or concerns with the Chairman of Selectors or with their Captain. Players over 18 years are expected to express their concerns without any parental assistance.

If these requirements are adhered to, Season 2016/17 will be enjoyable and successful for all.
