## **Campbelltown Camden DCC Women's Cricket Under 17's - Brewer Shield Match v Bankstown**

### **Maeghan Robinson – Double Hat Trick**

15 year old Maeghan Robinson has created Ghosts history by being the first player in the club to take a double hat trick. This includes both men's and women's cricket.

Maeghan Robinson finished off a great team effort against Bankstown in the Brewer Shield fixture on Raby 2 on Sunday. Robinson took 4 for none to clean up Bankstown for 73 after the Ghosts had earlier posted a mammoth 237 runs in the 40 over a side match.

Robinson's four consecutive wickets included a stumping and a catch by wicket keeper Hannah Trethewy and twice bowling the stumps down. This topped off a great day for the local ladies which remarkably resulted in numerous outstanding performances.

Hannah Trethewy scored 50 runs, took two smart stumpings and a catch behind the stumps. Fellow NSW representative and captain for the day, Yardley Polsen, also scored a classy 50 runs opening the bat to set up the platform for a great day.

On their way to accumulating the 237 runs Emma Barry hit 35 runs, Sophie Heath 28 whilst NSW Under 12 Rep Jessica Langford, playing against girls well beyond her years, posted 20 not out and took two wickets.

Prior to "Robinson's Rampage", Rebecca Ellsmore's opening spell saw her dismiss the top three Bankstown bats. Ellsmore finished with 3 for 18.

However, it was the St Patrick's College student Maeghan Robinson who has created a lifelong memory for herself. A double hat trick, on top of a tidy 16 runs opening the bat resulting in a convincing win over arch rivals Bankstown... equals "A Good day!"
