

Ghosts Team Song

We are the Boy's from Campbelltown
We're here to kick your arse !
We play by day, We play by night
No matter what the task.

We're all for one and one for all,
We don't throw in towel.
We smashed you boys from (insert opponent name)
So listen to us now...

The Ghosts came here to win today
and that's just what we've done.
We've showed you boys just how to play
and now we'll have some fun.

So pack your kits and pack your bags
It's time to have a tub.
The Ghosts are on the piss tonight
We'll see you at the pub !

And just before you leave the sheds
there's one more thing to say...
"You've just been beat by Campbelltown
Cos F**k the Ghosts can play!"
